I'm getting some complications from Urban Forestry Division re our removal of the ficus and repair of sidewalks between 83rd and 84th. I'm hearing them say: "you need property owner permission before we'll let you remove those trees." We've never had to do that. I could play dumb and ignore what I'm hearing or try to streamline the process and minimize the pain by providing the signed permission forms upfront.

Right now, I'm thinking we should just grit our teeth and go get 9 signatures. You previously provided some ownership info but it was focused on the Naylor frontage. There are "strip lots" behind most of those Naylor residences on which we need to verify ownership. Can you help again, please?

Here's the list, as best I understand it:

- 1 - 4107-034-020 Ramos = owner?
 same as -001?
- 2 - 4107-034-019 Heyman = owner?
 same as -002?
- 3 - 4107-034-022 same as -021?
- 4 - 4107-034-016 Gray = owner?
 same as -005?
- 5 - 4107-034-015 Kelly = owner?
 same as -006?

- | | |
|------------------|------------------------------------|
| 6 - 4107-034-014 | Sorenson = owner?
same as -007? |
| 7 - 4107-035-026 | ?owner?
lot tied to house |
| 8 - 4107-035-025 | ?owner?
lot tied to house |
| 9 - 4107-034-024 | ?owner? Remesh?
same as -006? |

If you can get us owner's name, address, telephone (if possible), or any other contact info, then Sue & I can strategize how to get some signatures.

Let me know as I can assist in any way. Thank you.
